

## PARENT ASSOCIATION

August 18, 2019

In order to maintain our commitment to stakeholder involvement and transparency, Hershey Christian Academy has developed a Parent Association. This association assists in decision-making regarding the school. There will be two meetings a year, one in the fall and one in the spring, in which each member of the association will have a vote on matters brought before them by the school board. Such items include appointment of board of directors, hiring of teachers, hiring of administrator, approval of budget, etc.

There are three ways to become part of the association:

- 1) All parents who have enrolled at least one full time student at Hershey Christian Academy will have membership and one vote per family.
- 2) All persons who have contributed at least 80 hours per year of board-approved volunteering will have membership and one vote per family.
- 3) All persons who have contributed monetarily in an amount equal to or greater than the highest student tuition rate will have membership and one vote per family.

Our first Parent Association meeting will be on September 24, 2019 at 6:30pm in the school gym in order to allow the members to meet the board of directors, discuss the school year, learn about fundraising and volunteer opportunities, and ask questions. An agenda will be sent out the week prior to the meeting.

If you have any questions prior to this meeting, feel free to contact me via email or phone.

Sincerely,

Kylie Murray
