

Hershey Christian Academy Instrumental Lessons

We are excited that we are able to offer instrumental lessons this year with Jim Fairman. He is offering both private and group lessons throughout the school day, so no need to bring your child back for lessons in the evenings. If you are interested in your child participating in lessons, please complete the form below and either email it back to Hershey Christian Academy at info@hersheychristianacademy.org or bring it with you to the Back to School Picnic on August 23, 2019.

Student Name: _____ Grade: _____
