

## HCA Illness Mitigation Plans for 2020-21 School Year

### ***Classroom Procedures:***

- Cleaning and sanitization of rooms and supplies on a daily basis.
- Frequent hand washing and sanitizing.
- Teach and practice keeping personal space (3-6 feet).
- Individual school supplies.
- Maximize opportunities to take class outside.
- Open windows to provide ventilation as much as weather permits.
- Lunches eaten in classrooms.
- Staggered dismissals from Jump Start, Recess, and Dismissal will occur to alleviate congestion in the hallway.

### ***Chapel Procedures:***

- Students will be taught how to measure and practice keeping personal space (3-6 feet).
- Class groups will sit together, but will keep at least one row of pews between students and maintain personal space within the pews.
- Students will wear masks while in the chapel.

### ***Recess Procedures:***

- Students will be asked to wash hands prior to recess and before their return to the classroom.
- Teachers will hold the doors for students coming.
- Equipment will be cleaned and sanitized on a regular basis.

### ***"Jump Start" Procedures:***

- Students will check in with HCA Staff.
- Students will immediately report to class areas where they will be taught and encouraged to keep personal space (3-6 feet).
- Students will wear masks during Thursday Jumpstart due to sharing space with church.

### ***Visitor/Special Guest Procedures:***

- Current health information and expectations will be posted on the main doors to HCA.
- A health screening form will be completed upon entry to the building.

### ***Parent Drop Off/Pick Up:***

- Parents will ring the school doorbell or call, (717) 312-7595, and student(s) will be brought to the door by HCA staff.
- Current health information and expectations will be posted on the main doors to HCA.
